

ECONOMIC OPTION

E12/E15

Our E Series lifts provide symmetric lifting capability with adjustable height to accommodate higher profile vehicles. A pulley-less jacketed single-point lock release system reduces wear and allows for simpler repairs. All necessary truck adapters are included. ALI/ETL certified. Available in red or blue.

Truck adapter set included

Double screw footpad with engineered frame engagement

E12 | 12,000 LB. CAPACITY

» 2-post symmetric lift

E15 | 15,000 LB. CAPACITY

» 2-post heavy-duty symmetric lift

¹ Rise height is measured with high extension. ² Optional 3-phase electrical also available, please specify at time of order.

FEATURES & BENEFITS

- » ALI-certified
- » 12,000 lb./15,000 lb. lifting capacity
- » Heavy-duty 2-stage telescoping arms provide excellent reach and retraction to accommodate a variety of vehicle lifting points
- » Adjustable column height accommodates higher profile vehicles and provides maximum headroom to work underneath vehicles
- » Padded overhead shut off system with micro switch prevents vehicle damage from being raised too high
- » Jacketed pulley-less single-point mechanical lock release system that was once exclusive to our CL Series (E15 only)
- » Rubber door guards protect vehicle from door damage
- » Premium powder coat finish provides long-lasting durability
- » Plated arm restraints and arm pins inhibit rust and provide long-lasting durability

Comes standard with adjustable foot pads, stack adapters, and organizer rack

OPTIONAL ACCESSORIES

2' column height extensions accommodate higher profile vehicles

Air electric work station
